INTRODUCTION

Looked over the Real Book and said, "Sure but what about lyrics?" We love vocals. Dug up all the words we could, some of them make us cringe - they just don't match those beautiful evergreen melodies. Got more and more excited as lots of rare and recently written lyrics came in for all kinds of tunes especially be-bop.

This book takes for granted Singers are Musicians. There's some amazing material here if you can read music, transpose tunes into your key and feel jazz. When singers speak the language of music and instrumentalists learn lyrics and do a little more singing themselves, vocalists and players can make beautiful music together.

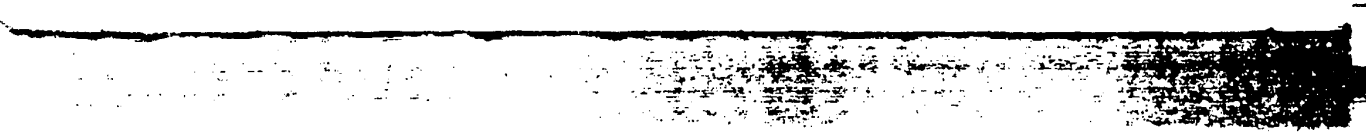

We used Real Book charts for Real Book tunes with some alterations to make lyrics fit. The other tunes all come recommended.

Listened to a lot of Lambert, Hendricks & Ross, Eddie Jefferson, Ella, Sarah, Carmen, Mark Murphy, Tony Bennett, Betty Carter etc. A lot of fun and hard work to get these charts together. We had to leave out introductory verses and scat solos this time - that would fill another book. Please let us know about more lyrics (write some!), errors, recommended tunes etc. through your Real Vocal Book agent.

Finally please don't lay a moral or legal trip on us. Try and get most of these tunes in good chart form at a store and you just can't. As soon as you can we won't need fake books.

We're coming back to melody and a renaissance of vocal music (witness growing popularity of vocal groups Manhattan Transfer, Roches, Nylons, Brass Tacks, Sweet Honey & The Rock, 100's of jazz choirs etc.).

This book is an invitation to do more singing. Have a good time with it!

FINE

A Fine romance! My good fellow! You
 Take romance, I'll take Jello! You're
 calmer than the seals in the Arctic Ocean, At
 least they flap their fins to express emotion; A
 Fine romance! With no quarrels, With
 No insults, and all morals! I've
 never missed the cease in your blue serge pants,
 I never get the chance. This is a fine romance!

A Fine romance! With no kisses! A
 Fine romance, my friend, this is! We
 Two should be like clams in a dish of chowder; But
 we just fry like parts of a Seidlitz powder. A
 Fine romance with no clinches, A
 Fine romance with no pinches, You're
 just as hard to land as the "Ete de France!"
 I haven't got a chance, This is a fine romance!

A Fine romance! My dear Duchess! Two
 Old fogies who need crutches! True
 Love should have the thrills that a healthy crime has! We
 Don't have half the thrill that the "March of Time" has! A
 Fine romance! My good, woman! My
 strong "Aged in the Wood" woman! You
 never give the orchids I send a glance!
 No you like cactus plants, This is a fine romance!

All hues , All blues

Some blues are sad but some are
Glad , dark and sad or bright and glad they're

All blues , All shades
All hues , All blues

(MORE IMPROVISED MELODY)

A colour , a colour , the blues is more than a
Colour , They're a moan of pain , a taste of strife , a sad refrain

A game which life is playin' , Blues

In a rainbow , a summer day that's
Fair , a prayer that's prayed , a lament that's made , some

Shade of blue is there , Blue
Heaven's blue , they're all blues

Hey Charlie please wake up somebody phoning for some confirmation You got to hurry
it's long

Distance information You can't afford to let this one go It's just self
preservation!

Hey the Greyhound is leaving ten o'clock this morning I think you
better talk with this guy

Cause he's your agent He's pretty patient But sometimes you
make him so mad Yes

This gig is with Mingus and Bud just got out of Bellevue and
they can't slow him down, No! So

Leave your Birdland dreams awhile and get the telephone Charlie
got no business sleeping anyway Good Lord sent you here to play

Hey Charlie somebody' phoning for some confirmation You got to hurry
it's long

Distance information You just can't sleep cause the good Lord sent you
here to play.

LYRICS - STANLEY CORNFELD

- [A]
- Isn't it weird and strange the way musicians want to show off how fast they've learnt to play their music Is it
 - That they want to make it seem so tough so very tough on a person that you'd have to be someone very great and special
 - Just to make your fingers move a little faster than they're used to movin' when they're doin' day to day tasks like
 - Washin' up the dishes or like pullin' up weeds
- Typists do it better if you're impressed with speed and accuracy at
- [B]
- All But it would be dishonest of me if I didn't tell you I really really get excited When I
 - Hear musicians really get hot and blow and let go with everything they've got I
 - May be weird I may be strange I can't expect the world to change but one of these days I'm gonna find out why the guy who wrote this song de-
 - signed it so it must be played much faster than a guy like me can play .

Goodbye Pork Pie Hat

Lyrics - Joni
Mitchell

Music - Charlie
Mingus

When Charlie speaks of Lester
You know that someone great has gone
The sweetest swinging music man
Had a Porkie Pig hat on
A bright star
In a dark age
When the bandstands had a thousand ways
Of refusing a black man admission
Black musician
In those days they put him in an
underdog position
Cellars and chittlins

When Lester took him a wife,
Arm and arm went black and white
And someone saw red
And drove them from their hotel bed
Love is never easy
It's short of the hope we have for happiness
Bright and sweet
Love is never easy street
Now we are black and white
Embracing out in the lunatic New York night
It's very unlikely we'll be driven out of town
Or be hung in a tree
That's unlikely

Tonight these crowds
are happy and loud
Children are up dancing in the streets
In the sticky middle of the night
Summer serenade
Of taxi horns and fun arcades
Where right or wrong
Under neon
Every feeling goes on
For you and me
The sidewalk is a history book
And a circus
Dangerous clowns
Balancing dreadful and wonderful perceptions
They have been handed
Day by day
Generations on down

We came up from the subway
On the music midnight makes
To Charlie's bass and Lester's saxophone
In taxi horns and brakes
Now Charlie's down in Mexico
With the healers
So the sidewalk leads us with music

To two little dancers
Dancing outside a black bar
There's a sign up on the awning
It says "Pork Pie Hat Bar"
And there's black babies dancing
Tonight !!

SOME OTHER TIME

LYRICS - L. CALVERT

Some other time, I'll find it
Gold waiting at the end of that rainbow I know
Though it seems so far to go

While going round in circles
Grab the brass ring, the promise hold it tight I will
Not right now Some other time

I held the world in my hand
Treasure that turned into sand
But I know I can build it up again
Till then

I'll wander through this dream time
Let someone else turn water into wine I can
Try again some other time.

YOU DON'T KNOW WHAT LOVE IS

LYRICS: CIRCE MILLER

You don't know what love is,
You never even tried to learn the rules.
You treat it as a pastime just for fools,
Playin' it cool,
That's not what love is.

You don't know what heart is.
It's not a toy, it's not a yo-yo on a string.
If anything is sacred, it's that thing.
Now mine is bleeding, and
I know what love is.

Lovin' is a gamble.
I gambled on some kisses sweet with fire.
Put body and soul up on the table.
The stakes couldn't get any higher.

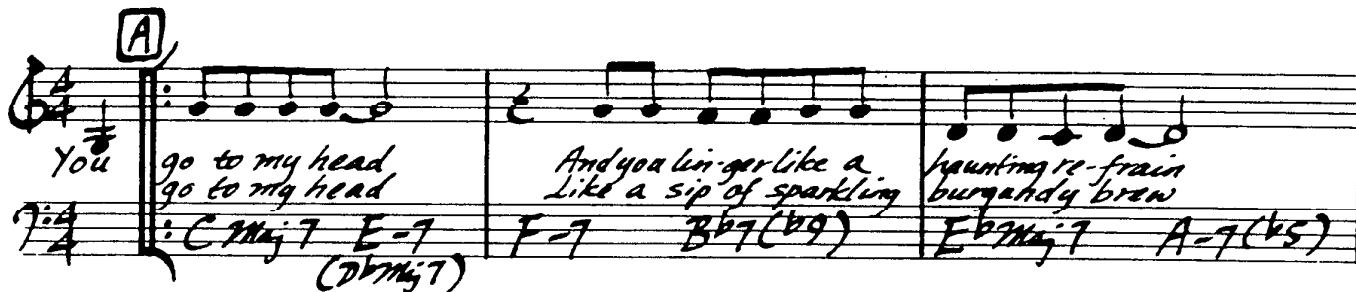

The gamblin's done now,
Yes, the game is over.
The last move's been made,
The last dice has been tossed.
You think you've won, but,
Now we both have lost,
At such a cost,
'Cause that's what love is.
